

Bridges Prep News & Notes: Dec. 1, 2017

From Dr. I's desk ...

Wheeeee! Recently, Ms. Grace's 5th grade engineers built roller coasters under several constraints, challenging them to use math, physics and a healthy dose of creativity to solve the lesson. Well done!

Amazon for Bridges! Many of you do your holiday shopping online, and I'm guessing a lot of you use Amazon for your shopping. We have partnered with Amazon so that each time you make an online purchase through Amazon, they contribute directly to Bridges Preparatory School! It doesn't add anything to your costs -- it's a contribution by Amazon.

Here's how you do it: Log into www.smile.amazon.com and find our school, Bridges Preparatory, from the list of charitable organizations. Then, shop as usual! **Or**, you can use this link to go directly to our giving page: <https://smile.amazon.com/ch/46-0847332>. **Please share this link with grandparents, coworkers and others who may shop online – every click can help us raise money!**

***Alice in Wonderland* next week!** We hope you get a chance to see this amazing performance by our students, led by our talented teacher Ms. Casey Chucta! See the main office for tickets. Shows are Dec. 6 and 7 at 7 p.m. at the USCB Center for the Arts on Carteret Street.

Save the date! Please mark your calendars and join us at the Main Campus Gym on Dec. 18 at 6 p.m. when Ms. Deborah Hamner's band and chorus students will perform a winter special. She will have about 45 members of the band and 11 members of chorus ready to entertain. Admission is FREE!
