

Bridges Prep News & Notes: Nov. 17, 2017

Musicians of the Month for October! 8-10th Grade Band Class - **Alice Lin** (left) has shown great progress since the beginning of the school year. She consistently turns in assignments on time.

Although she is one of the quietest leaders we know, she is constantly setting a great example. Alice is a great asset to our program this year.

After School Advanced Band - **Emma Mendenhall** (right) is our Musician of the Month for our Advanced Band Class that meets on Mondays after school. She has been at most rehearsals and is willing to work with the beginners on other days as well. Emma works hard on keeping up with the Advanced Group, which on average has much more experience than she does at this time. She is a fantastic musician for our school.

Beginning Band Class - **Emma Maldonado** (left) is our Musician of the Month for our beginners. She is consistently at rehearsals, and has shown an unbelievable amount of improvement since the beginning of the year. Emma is a solid player, and another quiet behind-the-scenes leader. Emma's sound on the clarinet is a terrific addition to our program!

Congratulations to these fine musicians and to their parents, families and our wonderful teachers! We hope you'll join us in celebrating the arts by attending our students' shows and concerts.

From the Board ... ELECTION UPDATE! In public session last night we opened the ballot boxes and counted each ballot. Newly-elected members of the Bridges Prep Board of Directors are Tom Angelo, James Corbin, Peggy Feuerbacher, and Kelly McCombs – and then there was a tie for the final seat between David Gault and Chris Protz. We'll keep you posted about how the S.C. Public Charter School District recommends we solve that tie – it might be a run-off election.

Congratulations to each of them and thank you to all the candidates who offered their time and skills to help us. We have an exciting year ahead as we prepare to start construction of our new campus and continue to expand our high school curriculum. Thank you to each of you who took the time to vote.
