

## Bridges Prep News & Notes: Oct. 19, 2018

From Mr. Wilson's desk ...

**Basketball tryouts for girls and boys** will begin on Oct. 29 at the Boundary Street campus. Start time will be announced shortly due to transportation from the new campus in Port Royal but will be as close to 4 p.m. as possible.

Everyone trying out must have a completed athletic packet on file with their coach or Athletics Director John Drafts. A hard copy of the packet can be picked up from Ms. Joan at the Boundary Street campus or can be found on the

Bridges website. Hard copies are available at the Port Royal campus as well. If you have any questions, contact your coach or Athletics Director John Drafts, [jdrafts@bridgesprep.org](mailto:jdrafts@bridgesprep.org)

**Box tops!** Please bring in all box tops by next Friday, Oct. 26 for our fall submission, and continue to collect for our Spring submission. For more information, visit <https://www.boxtops4education.com/>

**From the Board ...** Ballots for the Board of Directors election are being sent out this week and are due back to a school campus or by mail **no later than 4 PM Oct. 30**. We have six strong candidates vying for four open seats – make your voice heard and vote! The candidate bios are posted to the school website under Board/Elections.

**Facilities update:** We are in the middle of advertising for contractor bids to build our permanent school at the Port Royal Campus and hope to choose a builder in early November. Thank you to everyone who pitched in to move our Greene Street classrooms to the new campus, and to the families for learning the new drop-off and pick-up routine. A diagram is on our website homepage along with drop-off information for all our campuses. Safety first!

**Head of School search:** The independent search committee is finalizing its work reviewing candidates' resumes, checking their education certificates and references, and interviewing them. The Board anticipates receiving the list of recommended finalists for interviews in the coming days. We hope to include a school community "meet and greet" with the finalists as well. *Stay tuned!*
