

Bridges Prep News & Notes: May 17, 2019

From Dr. Sherri Herbst's desk ...

A personal note ... As we near the end of our 2018-2019 school year, I want to let you know that I will not be returning to Bridges Prep next school year. I have accepted an education leadership position closer to my home in Lexington. I truly appreciate the opportunity to have worked at Bridges over the past years. It has been very rewarding working with such dedicated faculty/staff members, students, and parents.

Among many other things, I have personally enjoyed working on building relationships, building strong grade level teams, analyzing data to improve teacher efficacy and student achievement, and watching students learn and grow. I have learned a lot from all of the wonderful people here at Bridges and

I will miss you but I will never forget you! Remember, a Buccaneer is a friend for life.

As we move toward our end of year celebrations, let's keep in mind that every minute counts, so let's make the most of our last days in class!

In August, Bridges will welcome the first class of Seniors! These Seniors will be part of history at Bridges Prep – the first graduating class. They will also get to experience the thrill of moving into their new school shortly after the New Year. So many people have worked very hard, some at the front and many behind the scenes, to make this happen. Rising seniors, congratulations on a job well done and I will be thinking about you!

Board notes: In other news ... Our next Board of Directors meeting is May 21 at the Boundary Street Campus. The public session is scheduled to start around 6:30 p.m. The agenda will be posted to our website a few days before the meeting.

Summer camp! The Boys & Girls Club Summer Camp is quickly approaching. We have a few spots left. Payment is due when the application is submitted. New enrollees may also attend if interested. Only students 5-14 years old will be accepted -- even if your child is starting kindergarten in August, he/she must already be 5 to attend. Camp dates are June 10 - July 19, daily from 7:30am-5:30pm. Cost for the 6-week camp is \$350, or \$250 if you qualify for free/reduced lunch. It will be held at the Boundary Street Campus. There may be an extra charge if we do a field trip.
