Parent Information

As the parent/guardian, I understand the following:

- 24 units are required to receive a South Carolina High School Diploma in order to meet the graduation requirement for Bridges Preparatory School.
- This request must meet approval by the administration after review of my student's credits, grades, and overall coursework.
- Courses requested will take precedence over scheduling open periods.
- My student must leave school grounds within ten minutes of his/her last class or arrive within ten minutes of his/her first class and it is my responsibility to make sure that transportation is provided for my child. Failure to do so may result in the revocation of open period privileges.
- If my student is scheduled for a course during the 2nd, 3rd or 4th block, I understand that he/she must sign in at the front office 10 minutes prior to the scheduled start time for the class. Failure to do so may result in the revocation of open period privileges.
- Due to unforeseen Wifi outages, I give permission to my virtual dual enrollment student to leave the BPS campus to complete coursework. I understand that my student is required to check in with Mr. Tooman or Mrs. Carrington prior to leaving campus. My student will return for the next class according to the above-stated guidelines. Failure to do so may result in the revocation of open period privileges.
